Subject: RE: NIRB EX152: AANDC- Contaminated Sites Division "Hope Lake Remediation" project proposal
Date: Friday, August 03, 2012 3:53:26 PM

Hi Phyllis,

One last note of follow-up that has been brought to our attention with this file, there is going to be a submission coming this fall for a larger program to be completed in the coming years.

The EX152 was issued ONLY for the 2012 field program and any further applications related to this file are requested to be sent to the NIRB for screening.

Thanks Phyllis and have a great weekend.

Kel
