Hi Phyllis,

Rod Watson is still the main contact for this file, I assist him when required. The Nanisivik Naval Facility Project is still in the process of providing NIRB with the required information for determination of screening requirements. Unfortunately, I do not know how long the NIRB process will take.

Regards,

Tamara

Initially our contact for this file was Rodney Watson and it is my understanding that he is no longer associated with the project. Stephanie/Tamara – if neither of you are responsible perhaps you can

provide direction on who we should be in contact with. Thank you.
