Good afternoon Sean,

Re: GN-CGS-Kugaaruk Landfarm Project – Renewal – Type "B"

Thank you for your email.

The Nunavut Planning Commission (NPC) has reviewed the above noted file and has determined that the proposed project as described is located outside the boundaries of the two approved land use plans currently administered by the NPC.

No further review is required by the NPC at this time.

Please contact me should you have any questions.

Sincerely,

Christopher
