Hi Phyllis,

To support our upcoming quarrying activities at the Mary River Mine Site, we attach the updated QMR2 Mine Site Quarry Management Plan. This submission is in accordance with Part E, Item 3 of the above referenced licence which states:

> *The Licencee is required to submit to the Board for review an updated version of the Plan, at least thirty days prior to the development and/or operation of this quarry.*

Please let me know if you have any questions or comments concerning this submission.

This transmission is also copied to QIA under Section 6.01 of Commercial Lease No. QI0C3001.

Kind regards,
