Dear Mr. Muraro:

An assessment through our office and the Aboriginal Affairs (AANDC) office in Iqaluit has been done of the fees paid over the years for the Lupin Mine site. Our records coincide with AANDC in that the fee for 2009 was never received. If your finance department can please provide the 2009 outstanding fee of ($64.13) that will make the payments current. The next due date, based on the date of approval by the Minister, is May 25, 2012. Payment at that time will be in accordance with the attached calculator and as per the Nunavut Water Board Chairman's letter dated June 20, 2011. The total amount payable on May 25, 2012 is $23, 050.00.

I trust that this is satisfactory. Any questions, please don't hesitate to contact our office.

Regards,

Phyllis Beaulieu
