RE: 2010 Workshop on Municipal Water Licensing in Nunavut

Dear Stakeholders:

Following a successful Workshop on Municipal Water Licensing in Nunavut in 2009¹, the Nunavut Water Board (NWB or Board) has continued discussions throughout the year with workshop participants² regarding initiatives to improve municipal water licensing in Nunavut. To maintain collaborative efforts and to encourage participation from Nunavut Hamlet representatives, the NWB is inviting stakeholders of municipal water licensing to attend a Third Annual Workshop on Municipal Water Licensing in Nunavut (2010 Workshop) to be held on **November 23, 2010 in Yellowknife, Northwest Territories**, following the Northern Territories Water and Waste Association (NTWWA) conference³.

The following preliminary agenda is proposed for the 2010 Workshop:

1. Recap of 2009 Workshop.
2. Review and discussion of the revised draft *Operational Guide to Municipal Water Licensing in Nunavut*, dated September 2009, revision date to be determined (Operational Guide).
3. Review and discussion of common municipal water licensing issues and proposed initiatives to improve municipal water licensing as outlined in the *Work Plan for Municipal Water Licensing in Nunavut*, dated July 2010 (Work Plan).
4. 2010 Workshop outcomes and actions.

Please confirm your attendance before October 22, 2010 with Karlette Tunaley, the workshop facilitator, at ktunaley@tlaconsultants.ca or 403-697-7897. Comments are also invited at this time on the preliminary agenda set out above.

All documentation in support of the 2010 Workshop including the Operational Guide, and the Work Plan will be distributed at least two weeks prior to the Workshop. In addition, the NWB has compiled documentation from the 2009 Workshop into a stand alone document entitled *Summary of 2009 Workshop on Municipal Water Licensing in Nunavut*, dated September 2010. This document is available

¹ The 2009 Workshop on Municipal Water Licensing in Nunavut (2009 Workshop) was held in Cambridge Bay, Nunavut on October 15th and 16th 2009.

² Government of Nunavut Community Government Services (GN-CGS), Indian and Northern Affairs Canada (INAC), Environment Canada (EC) and GN Department of Environment (DOE)

³ The NTWWA conference is currently scheduled for November 19-22, 2010 in Yellowknife, Northwest Territories.
