Hi Chris,

The Department requires additional time to complete its review of the submitted application due to historical issues associated with project.
We are willing to reduce the extension request to Monday June 4, 2012.
Is this acceptable to HBML?

Sincerely,
David

The B licences are running up against expiry dates. They are for the same terms as the existing licences. We would appreciate it if you could meet the deadlines set by the NWB

Thanks

Chris
