The Nunavut Water Board acknowledges receipt on October 19, 2012 of an application form and cover letter for your renewal. The hard copy of the application was received on October 23, 2012. In order to continue our process there is a requirement to submit electronic copies of the complete application. Please forward to my attention as soon as possible. Attached for your reference is a copy of our Guide 6 – Electronic Documentation. Once the full application is received it will undergo an internal review for completeness, prior to distribution.
