Ice bridges and snowfills OPS.PDF
Notification Form.pdf

Hello Phyllis,

The activities described in this application should be covered by DFO's operational statements for exploration activities as well as the ice bridges and snowfill crossings operational statement (attached).
I would suggest that the proponent review the operational statements to confirm that the proposed activities do not violate the conditions of the operational statements.

Please let me know if there are any questions

Subject: 120210 2BE-GEO1015 Amendment Application Review

Notice to all Parties:
Please see attached letters and notice for the above application, which requires review and comments. All documents received are on the ftp site at the following link (username *public* and password *registry*.)

ftp://nunavutwaterboard.org/1%20PRUC/2%20MINING%20MILLING/2B/2BE%20-%20Exploration/2BE-GEO1015%20Sabina/1%20APPLICATION/2012%20Amendment%201/

Note that the deadline for comments is March 11, 2012. Those organizations with a public bulletin board, as well as those identified on the attached letter to Local Organizations, are respectfully requested to print off and post the attached notice for a period of 30 days, on our behalf. The INUINAQTUN Notice will be forwarded as soon as available.

Please note also that the NWB has received with this application, NPC notification that this

project falls outside the boundaries of an approved land use plan and a 2009 screening decision from NIRB. NIRB is requested to confirm that no further screening is required for this project.

Regards,

Phyllis Beaulieu
