Hello,

Fisheries and Oceans has reviewed the application for renewal of water licence for the Aura Silver Greyhound Project. The renewal of the licence does not require DFO Authorization, however, I did not notice mention of the Proponent adhering to Fisheries and Oceans freshwater intake guidance document:http://www.dfo-mpo.gc.ca/library/223669.pdf. I'd also recommend reviewing http://www.mvlwb.ca/WLWB/Registry/2010/W2010C0005/W2010C0005%20-%20Land%20Use%20Permit%20Application%20-%20DFO%20Water%20Withdrawal%20Protocol%20-%20Aug%2025_10.pdf "DFO Protocol for Winter Water Withdrawal from Ice-covered Waterbodies in the Northwest Territories and Nunavut."

Following the Proponent's review of these documents, if there are any questions or concerns, please contact me.
