Mr. Ted Muraro,

AANDC Field Operations team discussed your request for approval to Open Burn Un-Treated Lumber at the Ham Lake Camp (Izok).

As you know, as per your Land Use Permit # N2012C0005, open burning of any materials is prohibited.

It is still our opinion that all open burning be prohibited, therefore unfortunately we are declining your request to open burn at this time. All untreated lumber must be removed from site like all other materials from the ATCO Trailers.

As for Water Licence # 2BE-IZO0712, only the Nunavut Water Board can alter any Terms or Conditions of that Licence.

Thank you for your time in this matter.

Koana,
Baba
