Thank you Julie,

I am satisfied that the work done is sufficient to close the file on JD-03. I do not need to conduct a follow-up inspection on this site; there was nothing of concern to me aside from the debris left from the drilling program, which is now removed. I am copying the NWB and the AANDC senior managers involved in the Security matters in order to allow them to proceed as required.

Regards,

Eva Paul

Dear Eva,

Please find attached Shear's letter concerning all final cleanup work done on JD03. Please feel free to contact me should you have any additional comments or concerns.

Regards,
Julie
