Dear Eva

We are NOT closing the Lupin site-we are cutting back on the planned 2013 work to re-open the mine in order to conserve capital in light of the weak gold markets. We are fully aware of our ongoing responsibilities undwr water licence 2AM-LUP0914.

Sorry for any confusion.

Patrick

Subject: AANDC Response to Notice of Closure - Lupin Mine

Hello Mr. Downey,

I spoke with Mr. Vokey on Friday, and was notified of LMI's intent to close the Lupin site. Please find attached a letter outlining LMI's ongoing responsibilities under the water licence 2AM-LUP0914.

I will be in the field conducting inspections the week of April 22-29. I will have e-mail access during that time; however, if you have urgent questions please refer them to Erik Allain, Manager of Field Operations. He can be reached at 867-975-4295.

Regards,

Eva Paul
