Good morning – the above licence has been approved by the Nunavut Water Board and is ready to be issued. However, prior to issuance there is a requirement to pay the outstanding water use fees of $134.25. Please see attached letter indicating that the $30.00 already received was a deposit only. Also attached is the water use fee calculator.

To expedite the issue of the licence may I suggest that a credit card payment be made by contacting myself at the telephone number listed below.
Regards,
