Dear Ms. Beaulieu:

RE: Draft Nunavut Waters Regulations – Public Hearing

On behalf of the northern minerals industry, we are pleased to provide this submission for consideration at the Draft Nunavut Waters Regulations, Public Hearing (re: letter dated June 29, 2011 from the Nunavut Water Board). We very much appreciate this opportunity to make comments given the proposed regulations will have important impacts on a number of projects coming forward in the next year.

We would like to confirm to the Board that the NWT & Nunavut Chamber of Mines will make a presentation at the Hearing in Iqaluit on September 13, 2011.

Our preliminary comments are summarized in the attached Executive Summary, with more complete details provided in the main submission document. The deadline for the translation of the Executive Summary is noted and will be provided to you by September 1, 2011.

We thank you for considering these submissions, and look forward to discussing them in more detail in September.

Yours truly,

John Kearney
