---

Good morning

Email confirming that the above noted Amendment application Vale Exploration Canada Inc. 2BE – SIP will not require an NPC review. The terms to which the proponent agreed to under a July 13, 2011 review are still in effect. I have attached those terms and must become part of any authorization issued.

Any questions concerns, please do not hesitate.

Brian Aglukark, NPC
Arviat

Subject: Amendment Application 2BE-SIP1114 - Vale Exploration Canada Inc. - Kivalliq Region

On March 2, 2012 the above file was forwarded for review and comments. Based on the information provided this amendment is to increase their water quantity and set up a remote camp. Please provide NIRB Screening and NPC Conformity or advise if no further screening or conformity is necessary. Thank you.
Regards,

Phyllis Beaulieu
