---

Good day, the Nunavut Water Board acknowledges receipt on December 20, 2011 of the above application for a new licence. After undergoing a preliminary review the following is required to complete the application

1. Most recent Water Licence application form which provides information required to assess the project (copy attached)
2. Item 1.4 of the spill plan's Table of Contents refers to North Arrow Minerals Inc., please clarify relationship between Bitterroot and North Arrow (suggest resubmission of spill plan)
3. The abandonment and restoration plan is indicated (item 38 of the camp questionnaire) as being appendix III, however no AR plan was included with the application package
4. A recent audited financial statement is required
5. The full amount of water use fees will be required prior to issue of the licence. As per the attached calculator the full amount is $98.55 ($30.00 received is considered as a deposit)
6. Project summary in English and Inuktitut is required
7. NPC conformity is required

Once the deficient information is received and the file is deemed complete it will be forwarded to interested parties for a 30 day review.

Regards,

Phyllis Beaulieu
Manager of Licensing
