Dear Phyllis Beaulieu

Thank you for your acknowledgement of our application, below.

We have for various reasons in fact now decided to postpone this trip until next year and would like, if possible, to amend the dates on the application to 1 July to 1 August 2013. We would be most grateful if you could let us know if this is possible. If so, I can then supply the additional information you have requested.

Many thanks for your help with this.

Kind regards
