Subject: Amendment Application

Phyllis,

Please see the attached amendment to our water licence for the Belcher Islands Diamond Drilling program. We are basically just adding in one additional area to the licence and removing the camp aspect.

Attached you will find the following:

1. Executed Amendment Application
2. English and Translated Project Summary (combined)
3. Abandonment & Restoration Plan
4. Contingency Plan
5. Topo Map of the area
6. Articles of Incorporation
7. 2011 Audited financials

The 2 cheques for the fee's have been mailed out today and you should receive shortly.

If you could please confirm receipt of this email that would be appreciated, and let me know when it will begin processing.

If there is anything else you require please let me know.

Regards,
Gord
