Re: 2BE-GEO1015 Open Burning Request

Dear Ms. Beaulieu:

The Kitikmeot Inuit Association (KIA) has reviewed the documents and information submitted by Sabina Gold and Silver Corp.'s regarding their request for the open burning of untreated/uncontaminated wood. The KIA is not opposed to open burning of the specified wood. However, the ash and remaining garbage should be picked up and properly disposed of.

The KIA would like to thank the NWB for the opportunity to comment on this file. Please feel free to contact us if you have any questions.

Sincerely,
