Dear Ms Beaulieu:

Re: Water License: 2BE-PER0610 and 2BE-HEE0712

This morning I have faxed to your office, to your attention, a Compliance Action plan for each of the two abandoned Canterra camps, Heeque and Peregrine. I have previously discussed the several outstanding issues with Melissa Joy and recently with Eva Paul. However I did overlook the request for a Compliance Action Plan for each of the two sites, and I apologize for this.
The outstanding issues at both sites are minor and these will be addressed this summer. At this time, I am not sure about the exact date when this will happen.

Thank you,
Walter Melnyk
