Reference: Type A and Type B Water Licenses for Hope Bay Project

Dear Phyllis Beaulieu, I am writing to you to inform the Nunavut Water Board (NWB) that the KIA has no outstanding issues regarding water compensation for License 2AM-DOH0713 (Doris North A license), License 2BE-HOP1222 (Hope Bay exploration B license), and License 2BB-BOS1217 (Boston advanced exploration B license).

The proposed assignment of HBML water licenses will not interfere with any existing water compensation agreements between HBML and KIA.

Thank You

John Roesch
