Subject:	MMG Izok Project Water License Renewal.....
Date:	Friday, September 21, 2012 3:18:56 PM

Phyllis / David,
Please be advised that I have mailed for submission today (September 21, 2012) on behalf of MMG Resources Inc., an application for the issuance of a water license for the Izok Project ***under the same scope and conditions as the existing water license 2BE – IZO0712*** which will expire December 31, 2012.

This application is for the continuation of Exploration Activities in and around the Izok deposit, and including the Hood and Gondor areas recently incorporated under a single Land Use Permit (N2012C0005) and is not to be confused with the parallel, ongoing permitting activities being undertaken by our Development team in regards to the possibilities of future production.
Included in the mail are 2 hardcopies of both the Application Form and Supplemental Information, along with a CD containing both documents in digital form in a single PDF. If you have any questions please do not hesitate to contact me.

Regards,

TED MURARO – OPERATIONS MANAGER CANADA
