Hello Kim,

As a follow-up to our conversation, the Nunavut Water Board (NWB) requests that the following information be provided:

1. AREVA Resources Canada Inc. response(s) to the issues identified in Aboriginal Affairs and Northern Development Canada's (AANDC) 2011 and 2012 inspection reports;
2. Spill report filed for the spill that occurred in September 2011 (*This is not required as I was able to locate a copy on file)*;
3. Confirmation that documented authorization has been provided by the Hamlet of Baker Lake for the backhauling of waste to the hamlet's waste disposal facilities (*I neglected to mention this item this morning*);

Should you have any questions, please do contact me at your earliest convenience.

Regards,
Sean
