Good morning,

On behalf of the Aboriginal Affairs and Northern Development Canada (AANDC) Water Resources Division, I am writing the Nunavut Impact Review Board (NIRB) and the Nunavut Water Board (NWB) in regards to the letter dated January 13, 2012 requesting comments regarding Baffinland Iron Mines Corp. (Baffinland)'s Type B Water Licence Application to the NWB. AANDC notes that comments to the NIRB and NWB are due on February 13, 2012. In order to conduct a thorough review of the water licence application package, the Water Resources Division respectfully requests an additional 2 weeks to submit comments to the NIRB and the NWB regarding Baffinland's new Type B Water Licence Application.

Sincerely,

Jean Allen
