Further to my email below there is also the outstanding fees due for 2012 totaling $211.70 so the total outstanding is $271.70. Sorry, I missed the payment which was due on June 18, 2012 which has already gone past.

Dear Andrea – the 2011 annual report for the above file has not been received, nor has the water use fees for 2011 and 2012. Because the due date is prior to the NWB letter and calculator being provided to all licensees on June 20, 2011, the payment is $30.00 for each year for a total owing of $60.00. The NWB will expect these outstanding issues to be actioned prior to the assignment being approved by our Board.
