Date:	Friday, June 15, 2012 3:06:00 PM

Dear Mr. Car:
Your application for amendment was reviewed internally by Mr. Sean Joseph, Technical Advisor. He advised that the extends of the project, currently identified in the Licence, already encompasses the coordinates of the claim blocks you wish to add. Therefore, at this time there is no requirement to amend. We will disregard the application documents but retain the list of claims on file for future reference. If you have any questions please don't hesitate to contact our office.
Regards,
