Hi Phyllis,

I'm going to have to talk to Amanda about this one and so not going to meet the July 28th deadline as they are in the hearings, but this one will likely have to go out for a brief comment as they want to do the work without conducting an archeological review.

I will be in touch soon and I hope to have an answer from Amanda either Monday or Tuesday when they are coming home from the hearings.

So, I will be late, but answer coming.

Kel
