Your file has been forwarded to the Director of Technical Services requesting the file be assigned to a technical advisor for a preliminary technical review prior to sending out for our normal 30 day review. You will be notified once I receive the go ahead from the technical department that the file is complete and ready for the next step in the process. Please be advised that currently all of our technical staff are on duty travel and not expected back in their respective offices until April 15th.
Regards,

Hello Phyllis,

I am just writing to check on the status of this application? We are anticipating the approval of our land-use permit application shortly and the contractor is ready to go for the removal of the old fuel from the Itza Lake camp.

Thanks,

Stefan.
