Subject: Work program at Tuktu & Roche Bay

By email

Dear Salamonie (QIA) (landadmin@qia.ca)
Dear Tracey (AANDC) (tracey.mccaie@aandc-aadnc.gc.ca)
Dear Sean (NWB) (sjoseph@nunavutwaterboard.org)
Mayor Hauli (Hall Beach) (mayor_hbhamlet@qiniq.com)
Mayor Arnatsiaq (Igloolik) (igloolikmayor2012@yahoo.ca)

Please be advised that Advanced Explorations Inc. is initiating its annual field season on its Tuktu properties, North-west of Hall Lake (camp location: 68°57'56.81"N 82°56'58.78"W). Authorizations for such exploration work are covered by the following licences:

- AANDC Land Use Permit: N2010C0011
- NWB Licence: 2BE-TUK1015
- QIA Licence: Q12L3C009
- NRI Scientific Research License: 02 037 12R-M
- DOE Wildlife Research Permit:2012-045

The work should be starting in the next few days, and will potentially continue through until mid to late October contingent on exploration results and weather. Initially, crews will be based out of Hall Beach until the Tuktu camp is reopened wherein all activities will be run from the Tuktu camp. Proposed work could include an exploration drilling operation, prospecting and sample collection, ground geophysics, staking, as well as environmental baseline surveys and water sampling.

Work on the Roche Bay camp (Camp location: 68°25'45.92"N 82°47'19.16"W) and Fuel Cache (Cache location: 68°26'52.17"N 82°38'12.46"W) will also be conducted this year, consisting of equipment mobilization, general maintenance as well as baseline surveys and water sampling. Authorization for such activities are covered by the following licenses.

- AANDC Land Use Permit: N2012C0013
- NWB Licence: 2BE-RBP1116

- QIA Licence: Q10L3C009
- NRI Scientific Research License: 02 037 12R-M
- DOE Wildlife Research Permit: 2012-045

Dave Young (AEI project manager) will be based out of the Tuktu camp to coordinate the proposed work program. William Chatman will coordinate activities from Hall Beach.

Regards,

Meghan Copeland
