Hello,

DFO has reviewed the above mentioned amendment application. Apologies for the delay in reply due to shortstaffing situations at present. DFO's Operational Statement for Mineral Exploration Activities may help provide some useful mitigation measures:http://www.dfo-mpo.gc.ca/regions/central/habitat/os-eo/provinces-territories-territoires/nu/os-eo24-eng.htm

Also, DFO's Freshwater End of Pipe Intake Guidance should be applied to such projects: http://www.dfo-mpo.gc.ca/regions/central/habitat/os-eo/provinces-territories-territoires/nu/os-eo24-eng.htm

No formal approval is required from DFO for this amendment, however, please ensure you read the above mentioned links and contact me should you have any questions.
