The Nunavut Water Board acknowledges receipt on March 9, 2013 of your application for a new water licence. It has been determined that the file is complete and ready for our 30 day review period. The technical advisor on this file is Erik Skiby and the Administrator is Megan Porter. An administration fee of $30.00 is required and can be paid by either cheque, money order or credit card. Based on the fact that a water use fee was received on June 20, 2012 but a licence was never issued, our office will consider the water use fee for this application as paid in full for one year from the date the licence is issued.

Regards,

Phyllis Beaulieu
