Subject: Change of Name for 3BC-ERK1015 & 3BC-ALT1015
Date: Monday, February 13, 2012 9:32:02 AM

Good day Phyllis,

I am currently preparing the Annual Report for both 3BC-ERK1015 & 3BC-ALT1015.

The Licensee for both Water Licences (Colonel R.C. Baker) has retired from the Department of National Defence.
His replacement is Colonel K.G. Horgan, and the official position title remains the same (and same address).

As I'm not too familiar with the water licence amendment process, could you please assist me?

Thank you very much,

Andrew Tam, M.Sc., Ph.D. (Candidate)
