Hi Pierre,

The details surrounding the discussions that you might have had with respect to submitting or not submitting the 2011 Annual Report appear to be absent from the file associated with the above-mentioned licence; therefore, if you could provide some confirmation, that will definitely be helpful.

It is recommended, however, that the standard Annual Report Form be completed in the future irrespective of whether or not field activities have been undertaken for a particular year. In that way your licence file will always have details concerning the activities or non-activities carried out for any particular reporting year.

Regards,
Sean

Hi,

In response to your mail of September 2011, asking fro my report of 2011, I have been told in 2011 that a report was not needed because we have NOT been in the field that year. Expedition was cancelled due to the lack of funding.

Best Regards

Pierre Francus
