---

I apologize for the delay in getting back to you in regard to your request to cancel the above water licence. Your request was imbedded into an email from AANDC relating to an inspection.

In order to fulfill your request our office requires the submission of the attached application form along with the following:

1. $30.00 administration fee for the cancellation
2. Submission of all outstanding water use fees for the years 2007 to 2012 ($120.00)

Since you are requesting the cancellation of this file our office will waive the requirement to submit an addendum to the spill plan which was required.

The annual report submitted was undated. Please provide with proper dates affixed and advise if it covers the years from 2007 through to 2012.

Regards,

Phyllis Beaulieu
