The Nunavut Water Board acknowledges receipt on February 26, 2013 of a new application for a water licence for the Paleozoic Vertebrates and Arthropods of Ellesmere Island Project. Your application will be forwarded to one of our technical advisors for a preliminary technical review prior to distribution.

Please note that the Admin Clerk has returned the cash of $35.00 which was received with the application. I believe she sent it in the mail yesterday so perhaps you can confirm when you receive it. We are not able to accept cash as payment for fees. Please either forward a cheque or money order in canadian funds for the admin fee of $30.00 and the water use fee of $30.00. You may also pay by credit card in canadian funds.

Regards,

Phyllis Beaulieu
