ATTN: Joe Murdock – Technical Advisor

Dear Joe:

Re: **Notification of Decanting of Sewage Lagoon in Cape Dorset**

The Hamlet of Cape Dorset is seeking permission to decant the four (4) existing sewage lagoon cells in Cape Dorset. We wish to do so in order to increase the storage capacity of the cells during the winter months. We plan to start the decanting process during the first week of August 2006.

I will be on vacation for the entire month of July. Eugene Smith will be acting SAO until I return on August 8,2006. Please feel free to contact him at 867-897-8943 if you have any questions or comments.

Yours Sincerely,

Art Stewart
Senior Administrative Officer
