Although I would like to get this resolved quickly I understand the workload everyone in the process is under with the mines, we will work with AANDC in order to answer any questions they may have during this extension.

Subject: Water Licence No. 3BM-HAL0810, Renewal Application - request for extension of review period

Good afternoon Phyllis,

Aboriginal Affairs and Northern Development Canada respectfully request a two week extension to the review period assigned by the Nunavut Water Board to provide comments/ recommendations on additional information submitted by the Government of Nunavut's Department of Community and Government Services with respect to the above-referenced water licence renewal application.
Comments/ recommendations were requested by today.
We are requesting that the comment period be extended to March 16, 2012.

Please don't hesitate to contact me to further discuss this request.

Sincerely,
David
