Good afternoon
I've spoken with Acting Mayor regarding 121218 3BM-KIM0911 submission of an AANDC Water Licence Inspection Report.

I also had supervisory staff meeting today with Finance Officer Karen Nungaq, Foreman Miki Lyta, Building Maintenance Supervisor Raymond Hudson and Acting Mayor Joe Arlooktoo. I have alerted Supervisory Staffs that we will need to address the issues within the Water Licence Inspection Report.

I have also informed the supervisory staff that exp/CGS has a tentative schedule to come to Kimmirut on January 28, 2013 to meet with Council and hamlet staff regarding plan for licence compliance 3BM-KIM0911.

Other topic to discuss will also be the new sewage lagoon for commissioning required. We will also debate to comply with water licence; though, further study has been requested in the past. Due to fish lake will have impact in the long run in a fishing lake.

For any concerns or comments, please let me know. Also please forward this information to parties who need this copy.

Sincerely,

Saqiqtaq Temela
