Subject:	120528 3BM-QIK0712 Application for Renewal Deficient
Date:	Monday, May 28, 2012 9:04:00 AM

The Nunavut Water Board acknowledges receipt on May 5, 2012 of your application for renewal of the above water licence. Please be advised that this file is currently deficient. The following is required for submission before we can continue to process.

1. Submission of a Sewage Sludge Management Plan required under Part D Item 6 of the current licence
2. Submission of a Wetland Treatment Area assessment required under Part D Item 7 of the current licence
3. Submission of a final construction report required under Part E Item 9 of the current licence
4. Submission of an OM Plan for the landfarm facility required under Part F Item 11 of the current amendment
5. Implementation of the monitoring program and submission of results of monitoring in annual report required under Part H of the current licence

Regards,

Phyllis Beaulieu
