The Nunavut Water Board acknowledges receipt on November 6, 2012 of the above application for a new water licence for the Iqaluit Hydro-Electric Project. Currently the file is undergoing a preliminary technical review for completeness. Once determined to be complete the file will be distributed for a 30 day review.

Please note that the following is required administratively:

1. Authorization letter for Knight Piesold to act on behalf of Qulliq Energy Corp on the file.

We have received payment of $60.00 for the admin and water use fees. Please note that $30.00 will be considered a deposit on the full water use fees. Attachment explains the requirement of full water use fees which are required prior to issuing the licence.
