Good afternoon;

Thank you for providing your comments to the Board. As significant and important as this matter seems at this point to be, the Board strongly encourages GN DOE to attend the Hearing, to be available for questions, and to assist the Board with this matter. The Board notes that while teleconference would normally be an option, logistically this is not possible from this Hearing venue. The Board requests GN DOE contact Richard Dwyer, Licensing Administrator no later than Friday, February 20, 2009, to confirm attendance.

If the GN DOE is unable to attend, the Board will seek the consent of the parties to file GN's letter on the hearing record.
