Good afternoon Phyllis,

DFO comments/representations for the remainder of the review process, including the Public Hearing scheduled for October 8-9, 2014 in Arctic Bay, Nunavut, will focus on the recent support information submitted by CanZinco Mines Ltd. On September 8<sup>th</sup>, 2014 and the forthcoming updated Abandonment and Reclamation Plan. These comments will be submitted in writing by September 17, 2014, as outlined in the NWB response. At the present time we do not intend on making a formal presentation during the public hearing, but depending on the results of our review of the updated Plan that may change.

Regards,  
Kevin
