RE: 1AR-NAN0914 Type "A" Renewal Application - Notice of Application & Commencement of Technical Review - Nanisivik Distribution.

Environment Canada (EC) acknowledges receipt of the Nunavut Water Board's (NWB) electronic mail, sent July 8, 2014, in which the NWB has scheduled a Public Hearing for Type "A" Water Licence No. 1AR-NAN0914; Amendment-Renewal Application, submitted by Canzinc Ltd., for the Continued Reclamation and Post-Closure Monitoring Activities, Nanisivik Mine Site Project. Due to operational constraints, EC will not attend the Public Hearing. EC does not have any additional comments on this application at this time. Advice provided by EC at the Pre-Hearing Conference, and in EC's correspondence dated June 2, 2014 would still apply. EC's specialist advice is provided pursuant to the *Canadian Environmental Protection Act 1999*, the pollution prevention provisions of the *Fisheries Act*, the *Migratory Birds Convention Act*, and the *Species at Risk Act*.

For further clarification on any aspect of this submission, please contact Michael I. Mohammed at (867)-975-4637 or michael.mohammed@ec.gc.ca.

Sincerely,

Michael Mohammed
