Dear Ms. Beaulieu,

Re: Water Licence 1AR-NAN0914 – Water Use Fees for 2012 and 2013

Please find enclosed a check in the amount of \$730 made out to the Receiver General for Canada in respect of 2012 and 2013 water use fees for the former Nanisivik mine. The required fee payments have been calculated based on the authorised water use quantity of 100 m³ per day.

I trust that this payment meets the requirements of the Northwest Territories Waters Regulations SOR/93-303. Please do not hesitate to contact me should you have any questions or comments.

Sincerely,

A handwritten signature in black ink, appearing to read "Johan Skoglund".
