Dear Mr. Skoglund and Mr. Tebaibi,

The Nunavut Water Board (NWB) has completed a technical review of the 2024 Annual Report.

The NWB received one submission from Fisheries and Oceans Canada (DFO) on June 25, 2025. DFO's submission stated that they had no comments or concerns at this time. No other comments or submissions were received.

Copies of all documents received during the review can be accessed through the NWB's Public Registry site using the following link:
