Dear Ms. Beaulieu,

Re: Water Licence 1AR-NAN0914 – 2009 Monitoring Reports

We understand that the Water Board does not have a record of the 2009 Annual Report required under Part B Item 3 of Water Licence 1AR-NAN0914. To rectify this, please find attached reports detailing the monitoring activities undertaken at Nanisivik in 2009. The reports include:

- 2009 Annual Geotechnical Inspection, BGC Engineering Inc., 26 March 2010.
- 2009 Annual Water Quality Monitoring Report, Stantec, 29 March 2010.

No uses of fresh water or disposal of wastes occurred in 2009.

I trust that this information meets your expectations. Please do not hesitate to contact me by phone or email should you have any questions or comments.

Sincerely,

A handwritten signature in black ink, appearing to read "Johan Skoglund".
