Dear Mr. diPizzo:

RE: WATER LICENSE NO: NWB1NAN9702 NANISIVIK MINE CANZINCO LTD

The body of the Closure and Reclamation Plan has been made available for review on our ftp site notwithstanding minor revisions and modifications to the document and supporting documentation which we expect to have compiled and available for distribution by March 8, 2002. A complete listing of modified documents will be posted to the ftp site along with all modified documents by March 8, 2002.

CD copies, and hard copies of the plan will be distributed as soon as practical after all revisions and modifications have been compiled.

If you have any questions or comments please do not hesitate to contact me.

Regards,

Steven C. Keenan
Environmental Superintendent
