

Note: Photos taken in July 2000

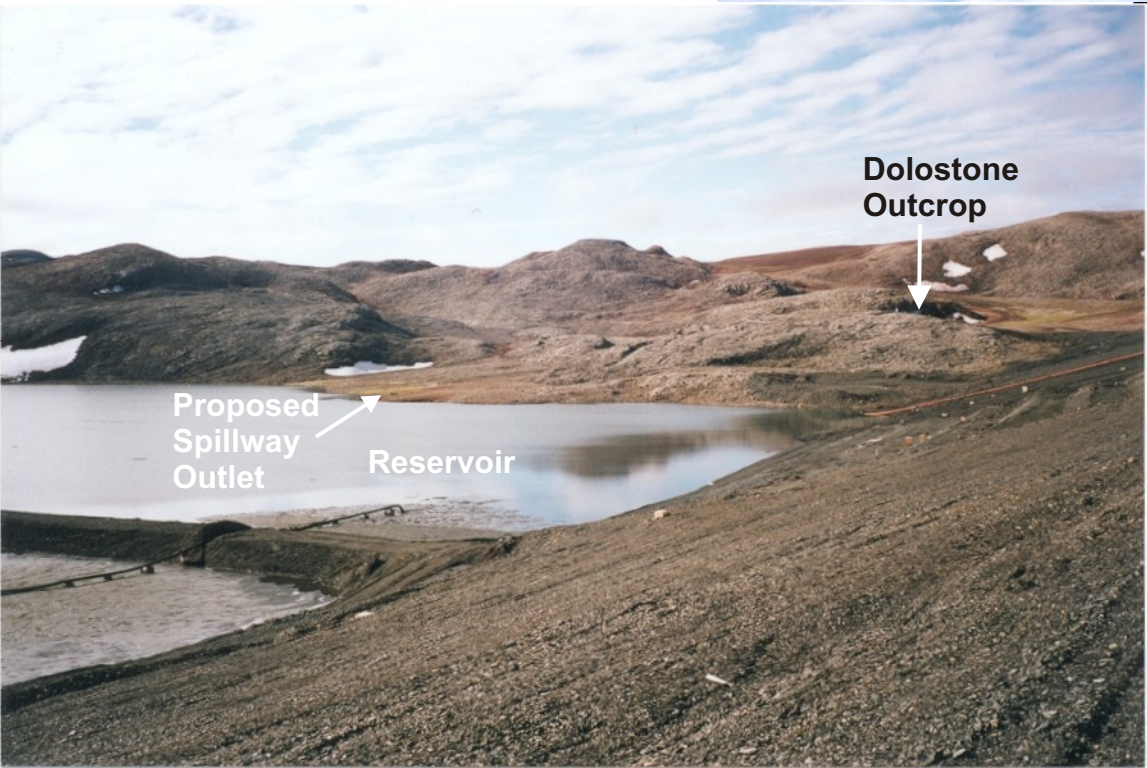

Photo #1 (left)
View from the top of the West Twin Dike looking at the south abutment area. Note the location of the proposed spillway outlet and the elevation difference between the Surface Cell and the Reservoir.

Photo #2 (Above)
View from Test Cell Dike in the Reservoir. Note proposed outlet and downstream section of spillway.

Photo #3 (Above)
View of proposed spillway inlet area. Note shale seal placed over tails on upstream side of dike.
