Re: Meetings and Workshop for the Closure of Nanisivik Mine

Dear Sir/Madam:

The Nunavut Water Board (NWB) would like to extend an invitation to representatives of the Hamlet Council of Arctic Bay to attend meeting on the closure plans of Nanisivik Mine. The NWB will be holding a public hearing to review Breakwater Resources Ltd.'s *Application for the Closure and Reclamation of the Nanisivik Mine* on Thursday July 11th and Friday July 12th, 2002.

In anticipation of the public hearing, the NWB will also be holding a community information session about the closure plan on the evening of Wednesday June 5th at 7:00pm, as well as, a pre-hearing meeting to identify issues of concern about the hearing on Thursday June 6th at 9:00 am. All meetings will be held at the Arctic Bay gymnasium. The NWB would appreciate if the attached public notice sheets, could be posted on the community bulletin board and announced on the community radio.

The NWB staff will also be available to conduct a small workshop for the Hamlet Council, the Nanisivik Closure Working Group, members of the Hunters and Trappers Association and Community Land and Resources Committee. Please let us know, as soon as possible, if you would be interested in the workshop either Thursday June 6th at 7:00pm in the gym, or Friday June 7th at 8:30 am in the Hamlet Chambers, if it is available.

We look forward to meeting with you shortly. If you have any questions or concerns, please do not hesitate to contact the Nanisivik Community Coordinator in Arctic Bay, Levi Barnibas at 867-439-8277 or Alex Thomson at the NWB office at 867-360-6338 or by email at nunavutwaterboard@nt.sympatico.ca.
